### - Special Population Involvement: I/DD

**Descriptions:** Below you will find information about services and supports requested and authorized in the report month for youth who are eligible for Developmental Disability Services or seeking eligibility. **Applications** approved are reflected in the total eligible number. **Family Support Services** are requested by a telephone application and may include more than one request per youth. **Assistive technology** typically requires an assessment be completed by a third party before a device or modification is approved. Some services are not available in all areas.

**Summer Camp** applications are displayed cumulatively for the year, so will remain static after the camp season begins and reset to zero in January.

**Care Management** authorizations may represent duplicated youth, as a youth with a DD consultant may also receive Mobile.

### - Special Population Involvement: Youth with Substance Use Challenges

**Descriptions:** CSOC provides very limited substance use treatment services for under-insured youth that meet specific need criteria. These services include specialty assessment, outpatient, partial, out of home, and detoxification. **Calls** are all calls regarding substance use treatment, including calls from providers. **Open to CSOC Substance Use Services** represents all the service types except assessment. The **LOCI** is completed by PerformCare clinicians and is a recognized tool for determining the level of treatment for a youth. Data from completed Substance Use Modules on **Assessments** completed in the report month drive the need percentage.
